The New Orleans Experience

Deemed one of the most historic and prominent entertainment destinations in the United States, New Orleans and the French Quarter have long flourished with historic establishments and world-renowned hotels, restaurants, and nightlife venues. As a result, the Riverfront in the French Quarter and greater metro area are experiencing exciting growth, fueled by public and private investments. New Orleans is a city unlike any other with widely-recognized customs and celebrations and a long-standing history dating back to the early 1700's, which help fuel the 20 million visitors the city hosts every year.

This improved Moonwalk is a key phase of the soon to be 3.2 miles of contiguous space from Spanish Plaza to Crescent Park in the French Quarter and onto Jackson Square

Tourism – Cruise Ships

Riverwalk serves as a destination for the newly expanded cruise ship terminal that serves Carnival, Norwegian, Royal Caribbean, Disney and American cruise lines. Viking River Cruises (headquartered in Switzerland) will commence in August 2022 with the Viking Mississippi. New Orleans will be the first homeport for their ships in the nation.
